

SECONDARY (6-12) SOLUTION

The Proven Method for Jump Starting your Non-Readers!

Non-readers are different and they need different! For middle and high school students who are new to English, in Special Education, or bottom performers who haven't responded to traditional remedial instruction, Failure Free Reading's intensive scaffolds and controlled texts enable non-readers to build the foundational language skills and confidence essential for learning. Uniquely effective for students **five or more grade levels behind**, the Secondary Solution is the program to use **when everything else has failed!**

- Rapidly build vocabulary, fluency, comprehension -- and writing skills
- Fast track the acquisition of English (for ELL/ESL)
- Boost student confidence, engagement and time on task
- Age-appropriate content and graphics won't insult your older students
- No prior reading ability required
- Easy to implement: all materials included
- No teacher prep time

Failure Free's unique **multi-modal instruction** combines

- 1) scripted oral language development teacher lessons,
- 2) talking software, and 3) print comprehension exercises and readers.

FFR's Secondary Solution consists of the non-consumable curriculum collection shown to the right (\$3,000), plus FFR's unique talking software either online (\$100/student slot per year)* or multi-platform/networkable (3 year license @ \$300 per student slot).**

Non-Consumable Print Components:

- 6 Booklets of each Joseph's Readers story
- 1 Scripted Teacher Manual per JR/VM level
- 1 Blackline Master CD-ROM per JR/VM level
- 1 Independent Activity notebook per JR level
- 1 Parent Communication Packet per JR/VM level
- 1 Criterion Reference Test per JR/VM level
- 6 Instructional Readers per JR level
- 1 Student Workbook Blackline Masters per VM level
- Writing Activities per VM level
- Flashcards per JR/VM level

Perfect for **fast tracking** your Spanish speaking students. These students have the comfort of receiving directions and definitions in Spanish while constantly learning to read and understand English.
