

LIFE SKILLS Single Level Solutions

A School to Career Transition Program for Special Needs High School Students.

Life Skills teaches Special Needs secondary-adult students how to read age & developmentally appropriate school to career content. No reading prerequisite! Data driven! Highly structured! Perfect for self-contained, resource or community-based instruction classes.

Level I - Independent Living (shown as an example to the right) suitable for students reading as low as 1st and 2nd grade. Stories include: Getting an Apartment, Rooms in the Apartment, The Breakfast Story, Time for Lunch, and Dinner with a Friend.

Level II - Driver's License suitable for students reading as low as 1st and 2nd grade. Stories include: Things to Watch for on the Road, Road Emergencies, Bad Weather, Car Accidents, and Night Driving.

Level III - Drug Prevention suitable for students reading at 3rd grade reading level. Stories include: Drug Abuse, Saying No to Drugs, Alcohol, Cocaine, and Marijuana and Other Drug Addictions.

Level IV - Employment suitable for students reading at 4th and 5th grade reading level. Stories include: Setting Career Goals, Achieving Career Goals, Job Interview Skills, Good Work Habits, Making Communication Work, and Self-Confidence.

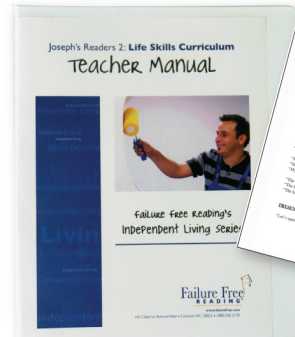

Life Skills Single Level online software includes Reinforcement Activities for each story and hundreds of hours of instruction on reading, writing, and spelling. Software instructions are provided in English, Spanish, and ASL video. Easy to use! Abundant reporting features! **The software talks! No reading prerequisite!**
